Dear Miss Davis:

We very much appreciate your invitation.

Unfortunately, we're in the midst of  
a complete rejuvenation and must concentrate  
our talent here.

We would be very glad to come down during  
second semester sometime, if you'll give us a  
raincheck.

I'm going to try at times during this term  
to send you tapes of some of our features.

Wish you a successful year.

Sincerely,  
*David Remond*,  
WMS Features Director
